*Re: MB Docket No. 04-160*

Dear Ms. Dortch:

Yesterday, Lon Levin of XM Satellite Radio, and Richard DalBello and Jason Scism of the Satellite Broadcasting and Communications Association (SBCA) spoke with Rosalee Chiara, Deborah Klein, Eloise Gore, Mary Beth Murphy, William Johnson, and Corie Wright of the Media Bureau. The above mentioned parties discussed the joint reply comments of XM and Sirius Satellite Radio and the reply comments of SBCA responding to the National Association of Broadcasters' petition for declaratory ruling regarding the provision of traffic and weather by satellite radio providers.

Please direct any questions concerning this matter to the undersigned.

Respectfully submitted,

Jason C. Scism  
Director, Government Affairs
